PINE COUNTY FAIR
THE GREATER MINNESOTA GET TOGETHER

Dear Community Partner,

The Pine County Agricultural society Sunday Funday Committee is excited to invite you to become a sponsor of one of the most meaningful and anticipated family events at the Pine County Fair.

Sunday Funday was created with a simple but powerful goal: to ensure that every family in Pine County has the opportunity to experience the joy, education, and community spirit of the fair, regardless of financial circumstances. Through the generosity of sponsors and donors, we provide an afternoon filled with free games, activities, educational exhibits, live entertainment, demonstrations, prizes, giveaways, and family-friendly fun for children and adults alike.

At a time when many families are facing economic challenges, Sunday Funday helps remove financial barriers and creates an inclusive environment. Where everyone can participate, learn, and make lasting memories together. The event promotes agriculture education, safety awareness, healthy lifestyles, community engagement, and the traditions that make Pine County such a special place to raise a family.

Your sponsorship directly supports event programming, children's activities, educational experiences, entertainment, prizes, supplies, and giveaways that allow us to keep all activities free for attendees. Each contribution, large or small, helps expand opportunities for local families and strengthens our community.

We hope you will consider partnering with us to make this year's Sunday Funday the best one yet. Together, we can ensure that every child and family has access to a day of fun, learning, and connection at the Pine County Fair.

Thank you for your consideration and for your continued investment in the families and future of Pine County.

With Sincere Gratitude,

Pine County Agricultural Society
